

Hi:

My name is Shuai Zhou,

I am a Master of Design student at the University of Cincinnati, looking for summer internship opportunities for UI and UX design. I have been researching your company and I became extremely attracted by the work shown in your website. I would like the opportunity to interview for an internship position in your company.

I was worked for SoHu international internet company for last year. On last year, I worked with HTML5 and UED group to design some projects about website and App. My work is to design the interface and made the products useful and accessible. I have good communication skills, strong positive initiative and an excellent team cooperation spirit. I am also an expert at HTML5, CSS3, After Effect, Photoshop, Illustrator, In design, Photography, and Hand-painting.

Please call me at 917-545-2916 or shuaizhou487@gmail.com if I can provide you with further information. I would really appreciate it if I can have an interview with you. I am looking forward to hear from you.

Sincerely,

Shuai Zhou
